TIME and again, the sweeping showing victories of Spratt's-fed dogs brings home the lesson of sound feeding. Experienced fanciers everywhere are choosing from Spratt's big range of Biscuit Dog Foods for the well-ordered feeding routine that promotes prize-winning condition. They know that whatever the breed, and no matter how capricious a dog's taste, Spratt's provide a feed that is acceptable on all counts . . . the essential biscuit diet that combines variety and tastiness with the nourishing properties that satisfy and strengthen.
